Exhibitor and Vendor Guidelines

Dear Business/Exhibitor/Vendor,

Thank you for your interest and support for Vernon Earthfest 2012. We are proud to announce that Vernon Earthfest is celebrating its' 12th Anniversary. Once again this year we will be holding the event (rain or shine) at Heaven Hill Farms on Route 94 in Vernon. We are looking to make this year another huge success. The Vernon Chamber of Commerce and Vernon Township Environmental Commission created Earthfest to celebrate and raise awareness of our unique natural environment, and to help promote sustainable living locally and globally. Participating in Vernon Earthfest provides you or your organization an opportunity to show your commitment to environmental issues through your products, literature, crafts and programs. In order to maintain and ensure a positive focus for Vernon Earthfest, all vendors must abide by the following guidelines.

Suggestions for making your experience at Earthfest a greener event:

- All exhibits and activities must relate to an earth day theme. Vernon Earthfest has the right to decline vendors that are incompatible with our mission. A full refund will be issued if registration is not accepted.
- This is an Earth Friendly event - no smoking, no balloons, etc will be permitted.
- We highly encourage the use of reusable, recyclable decorations, handouts and brochures.
- Try to limit non recyclable handouts. If you must use them consider putting information on both sides of recyclable paper. At the event feel free to collect emails and distribute your information electronically.
- Vendors should not give away plastic bags with purchases!
- Sustainability is encouraged through, energy efficiency, financial stability.
- CLEAN-UP. All vendors should leave the premises in good condition (as good as before the event was presented) and will be responsible for recycling and disposing of any trash (containers will be provided). We recycle plastics #1-2, glass, cans, cardboard (flattened and stacked and paper).

Space is limited so please register early. Your agreement form must be received by April 5th 2012.

Vendors will be responsible for their own table, chairs which must remain within an 8' X 8' space. Set up is permitted between 8am-10am on the day of the event.

Thank you for your supporting our efforts in making Vernon Earthfest a meaningful, environmentally sound event.
